EXHIBIT A TO ORDER REGARDING REGISTRATION OF ASR RELATED CASES AND CLAIMS

A. Introduction

Welcome to the U.S. ASR Hip Registration Process. This Excel file is required for the submission of information in compliance with the Order on Registration of Claimants ("Registration Order"). You must complete both the "Designation & Certification" and "Claimant List" worksheets. The "Designation & Certification" worksheet is for the entry of information about your law firm, Primary Responsible Attorney, and Secondary Administrative Contact. This worksheet also includes the certifications required by the Registration Order. The "Claimant List" worksheet is for you to list information about all ASR Recipients for which you are an Interested Counsel. The "Instructions" worksheet contains instructions for how to complete the "Claimant List" worksheet. To access these worksheets, click on the tabs containing the title of the worksheet, which are located at the bottom of this screen.

If you have any questions or encounter any problems, you may contact the Settlement Oversight Committee ("SOC") by telephone at (877) 391-3169. You may also contact the Claims Processor by email at claimsprocessor@usasrhipsettlement.com.

B. Instructions on Using the Spreadsheet

1.	To ensure consistency, the Claims Processor has limited the responses to certain questions. For these questions, the Claims Processor has identified the permitted responses in a drop-down menu. To view and select the permitted responses, click on the button on the right of the cell with a down-arrow symbol. A button with a down-arrow symbol will appear to the right of the data entry cell when your cursor is located within the cell. If you enter a response that is not in the drop-down menu, you will receive an error message.
2.	Some data entry cells require data to be entered in a pre-defined format. For instance, you must enter dates as MM/DD/YYYY. You must enter Social Security Numbers without dashes and non-numeric characters. If you enter a response that is not in the correct format, you will receive an error message which prompts you to enter a valid response.
3.	You can access the "Instructions" worksheet by clicking on the column header for each individual column of the "Claimant List" worksheet. This will link to the specific instruction on the "Instructions" worksheet, where you can link back to that column to complete the data entry.
